8. Extras
9. The fine print

1. Introduction: It all started with a story

Zenders Cafe and Venue is a relatively new venture, a young business that opened its doors in December 2018 and that has many aspirations for the future.

Yet, albeit young, its story is rich.

Zenders was inspired by a family's story, growing through generations from the last 100 years. A story of experiences, of travel, of family and opportunity.

And now, this story continues. A new generation, bringing together more people for more experiences and more occasions, living to its core purpose of 'making every visit an experience'.

2. Choosing Zenders as your wedding venue

Ceremony, reception, or both! At Zenders we are totally flexible. Our wedding coordinator is on hand to discuss and assist you with making decisions every step of the way. Share your ideas and dreams, and together we can create a memorable day for you with your desired [space](#), the [food](#) you like, and the beverages you fancy. We'll do the rest!

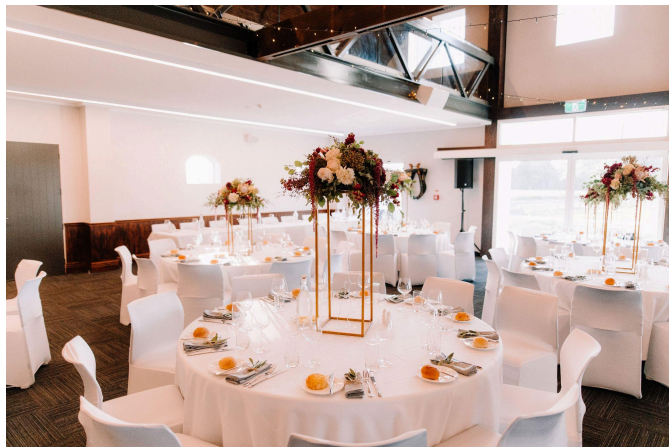

Our venue hire guarantees you exclusive access to your preferred spaces and includes professional staff throughout the day, as well as in-house furniture, ceremony backdrops, standard linen, crockery, cutlery and glassware. We can even host your ceremony on our Willow Lawn.

3. Location

Zenders Cafe and Venue is located at 44 Hopkins Road, Newstead 3286, on the outskirts of Hamilton city. We are within easy access of the Waikato Expressway.
